**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Americans need real, competitive options for internet service. And I'm not talking about choosing between AT&T and Comcast! I switched from AT&T to a small local provider because I wanted real service. But if you change the rules, you'll be taking that option away from me and millions of others like me. Nobody can live without broadband anymore, so regulate it like the utility that it is.
